Commissioner for Patents

Sir:

In response to the Office Action dated September 7, 2006, we are herein filing a Supplemental reply to the Office Action to replace the claims due to typographical errors.

We noticed claims 36 and 51 were miss-labeled as Original rather than Currently Amended in the response filed on January 11, 2007. This supplemental reply re-provides a corrected version of the claims to correct this error in order to avoid a Notice of Non-Compliant Amendment. The arguments of the January 11, 2007 reply are also enclosed for the Examiner's convenience.

Replacement set of claims begins on page 2 of this paper.

Remarks/Arguments begin on page 10 of this paper.
